Culture of Resistance Resources

Pacific Northwest Grand Jury:

Committee Against Political Repression (Main support group):
https://nopoliticalrepression.wordpress.com/
Grand Jury Defiance Resource List & Blog + Useful Flowcharts
http://saynothing.noblogs.org/grand-jury-resources/
Another main support group for GJ resisters:
http://supportresist.net/

WRITE TO MADDY:
Matthew Pfeiffer #42421-086
FDC SeaTac
P.O. Box 13900
Seattle, WA 98198

Remember: no stamps, money, or anything else that isn't paper. No books or printed photos (unless you print them on regular printer paper), books must come from a publisher. Every word you write will be read by prison officials.

Grand Juries in General:

Grand Jury Resistance Project:
http://www.grandjuryresistanceproject.org

Security Culture:

Great intro text by Crimethinc:
http://www.crimethinc.com/texts/atoz/security.php
Another security culture guide:
http://security.resist.ca/personal/culture.shtml
Security Culture zine with focus on Canada:
http://security.resist.ca/personal/securityzine3.pdf
Crimethinc Zine about FBI Entrapment:
http://www.crimethinc.com/blog/2012/05/29/inside-the-fbi-entrapment-strategy/

Electronic Security:

Surveillance Self-Defense Guide (amazing!)
https://ssd.eff.org/
Digital Security Zine by Riseup.net (very accessible!)
http://zine.riseup.net
Riseup.net Digital Security Tips and Advice (hands-on!)
https://help.riseup.net/en/security
Secure File-Deletion tool for Windows
http://eraser.sourceforge.net
Hard Drive Wiping Program for any computer:
http://www.dban.org
Disk Encryption Program for Windows, Mac, Linux
http://www.truecrypt.org
Off-The-Record IM Encryption (most IM networks)
http://www.cypherpunks.ca/otr/
Tor Project – Program for Online Anonymity
http://www.torproject.org
TextSecure – App for Android Text Encryption
just look for it on the Android Market/Play.
Encrypted Self-Destructing notes you can email (cool!)
http://www.privnote.com
Enigmail – PGP Email encryption for Windows/Mac/Linux
http://www.enigmail.net

Questions? Check out these online resources:

Reddit "Subreddits" (not politically radical)
http://www.reddit.com/r/privacy
http://www.reddit.com/r/techsupport
HackThisSite Web Forum "Training the Hacker Underground"
http://www.hackthissite.org
Anarchy 101 "Questions about anarchy" can be used for tech advice:
http://anarchy101.org/

Still can't get a straight answer for your question? Want a digital security workshop for your corner of the community? Email Nathan at destinationentropy{at}lavabit.com. PGP encrypted email gladly accepted!
