DSEI 2015 Defence & Security Delegations

DSEI attracts thousands of senior government, MOD and defence & security officials. As we build up to the event in September, we work with you and the VIPs to create time-efficient programmes, matching the capabilities they are interested in with the products and services offered by you and other exhibitors at DSEI. To facilitate these meetings we offer a **Visit Request Service**.

The online Visit Request Service for DSEI's Defence & Security Delegations is now open and will be available here on EZONE from **until 10 July 2015 (Deadline Day Two)**.

We have published a full list of countries and sectors that have been invited to DSEI and ask you to request meetings via the link below. Your requests, with supporting statements, will be passed to the appropriate programming authorities for consideration including:

- UKTI DSO Desk Officers
- Defence staff in London Embassies & High Commissions
- Plus the outer offices of VIPs

Please provide a comprehensive application with all relevant material to increase your chances of being contacted by a programming officer to arrange appointments.

Additionally there will be a DSEI in-house programming team who will produce pre-planned visit programmes to help connect you to the most senior VIP Delegations. We hope also to include in the onsite stand-drop packs the rank/title, full name, job title, organisation and country of all VIPs and Delegations who will be attending DSEI.

Please request your VIP Delegation here.
