DSEI 2015

DSEI 2015 Meet the Supply Chain Initiative

Dear XXX,

New for 2015, 'Meet the Supply Chain' a new initiative to help small & medium enterprises (SMEs) meet larger companies (Primes) is being launched at DSEI 2015.

Opportunities to engage with key industry personnel in prime contractors that participate at DSEI is perhaps one of the most valuable interactions a supplier can have.

Therefore, DSEI 2015 will be providing even greater support to SMEs to help them meet with key OEM customers. Similarly OEM prime contractors will be supported with identifying suppliers that matter most to their business.

The 'Meet the Supply Chain' initiative will help exhibitors (prime contractors and SMEs) maximise their company's time and networking opportunities whilst at DSEI.

As registered stand personnel there are probably hundreds of innovative companies that you would want to meet. Log onto **Visitor Portal** today and click on 'Meet the Supply Chain' to access the full exhibitor list.

This is a valuable opportunity for primes to expand their supplier pool, and for SMEs to engage with primes and strengthen their business relationships.

Log onto **Visitor Portal** today and arrange meetings with the companies you would like to meet.
