

The West Theatre is located in the North Hall at the west end of ExCeL London. Within this theatre you will also see a Ministerial Keynote and presentations from the Unmanned community. The seminar programme will also feature a series of sessions on Training & Simulation and the Centre of Defence Enterprise (CDE) SME Showcase.

Core Themes

- **Unmanned Air Systems In Association with UAS CDC**
- **Land & Maritime Unmanned Systems**
- **Training & Simulation**
- **SME's, Science & Technology and Apprentices**

The West Theatre is brought to you in partnership with our academic partner [Cranfield University](#) and in association with [UAS CDC](#).
