A NEW  
SOCIAL  
CENTRE  
FOR  
LEEDS?

## **NEW SOCIAL CENTRE: MOVING FORWARD**

### **SUNDAY 7<sup>TH</sup> NOVEMBER, 3-6PM**

**THE COMMON PLACE (THECOMMONPLACE.ORG.UK)**

Need space for workshops, meetings, gatherings, classes, gigs, film showings? Want to be part of a project to build an autonomous, non-hierarchical social centre for Leeds?

Spaces like the Common Place have been hugely valuable to a wide range of groups within Leeds and we're planning to open a new space within the next year. However, if we want this to happen, we're going to need your help.

The plan is to buy a building that will provide free or very cheap meeting, workshop and creative spaces, a venue for socialising and to put on gigs and fundraisers, a cheap community cafe and some office space for supportive groups, alongside loads of other ideas in the pipeline.

At the moment, we're producing a business plan to apply for a mortgage and searching for buildings. We meet up every month to catch up and think more about what kind of space we'd like.

It would be great to get some involvement from your group from these initial stages, to make sure we think of all the amazing things we could do and to speed up this process. Also, fundraising is a huge priority and the quicker we raise the deposit, the closer we get to opening the space. If your group would be willing to put on a fundraiser, or help out on one of ours, that would be amazing.

Our next big meeting is on the 7th of November at 3pm in the Common Place and if you'd like to join our discussion list, type your details here [lists.aktivix.org/mailman/listinfo/leedscommunityspace](https://lists.aktivix.org/mailman/listinfo/leedscommunityspace)
