NEW SOCIAL CENTRE: MOVING FORWARD
SUNDAY 7TH NOVEMBER, 3-6PM
THE COMMON PLACE (THECOMMONPLACE.ORG.UK)

Interested in a new space for putting on DIY gigs, film showings, club nights, art/performance events? Then we need to get on it!

The plan is to buy a building and start up a new social centre in Leeds: an autonomous, non-hierarchical space to accommodate these as well as providing room for workshops, meetings, classes and a cheap community cafe. But we can't do it alone.

Come on down to find out more, to help decide on what we all need from a space, and to plan fundraisers to raise the money for a deposit. If you'd like to join our discussion list, type your details here lists.aktivix.org/mailman/listinfo/leedscommunityspace

See you there.
