

The Mayor has presented his plans, but we can still

stop
the
cuts

What’s being cut?

Five libraries (Blackheath, Crofton Park, Grove Park, New Cross, Sydenham)
Open Doors employment advice service, subsidy for Clyde Nursery, Early Child-
hood Centres, funding for road cleaning and sweeping, funding for foster care.
£60m in services will be cut over the next 3 years! According to the TUC,
Lewisham already has the highest claimant-to job ratio in the UK.

We know many councillors do not want cuts, but feel pressured into voting for them - our message to those members is so obvious and simple we shouldn't really even need to say it: **Vote for what you believe in, how could you even consider any other action?** Councillors can vote down the budget then set a legal budget without cuts for this year. This will give us all time to work together to demand more from or replace the government.

Lewisham Anti-Cuts Alliance is a coming-together of local trade unionists and community activists who oppose local and national spending cuts. We are concerned about how we will be personally affected and also about how the cuts will foster inequality and division in society.
